FARM & HOME WEEK PLANS IN PROGRESS

Plans for the forthcoming Farm and Home Week, to be held at the University of Maine April 2 to 5 are progressing rapidly. So said Prof. Herbert A. Leonard, chairman of the planning committee, today.

The farmer, rural homemaker and urbanite will find the four-day program extremely interesting and of great educational value, reported Leonard. Sessions open Monday evening with Arthur L. Deering, dean of agriculture, greeting Farm and Home Week visitors on behalf of the University. Representatives of Maine's agricultural industry will discuss "Opportunities in Maine Agriculture" during this first meeting. The Orono High School choral group will provide the lighter side of the evening program.

Tuesday morning, April 3 will mark the first of the educational meetings with emphasis on livestock production, forage crops and small grains, the garden, home economics and the rural church. Meetings will continue Wednesday with poultry discussions, a meeting of dairymen, garden club activities, pomological group sessions, Grange activities, and meetings for the homemaker.

The Thursday program will be in the same vein, said Leonard, with meetings of value to persons of all interests. Outstanding Farmers and Homemakers will be honored Tuesday evening, and Wednesday night activities shared by the Grange, potato growers, and dairymen. The annual Farm and Home Week Banquet Thursday night will bring the affair to a close. The detailed program will be announced at a later date.

Richard Young, William Chapman, Wilbur Myers, Merle White, Bartlett Hutchinson, Charles and Dana Bean, David Myers, Betsy Chapman, Donald Young, Mark Freeman, and Howard Donahue were in Boston during the week-end. They attended the Celtics-Knickerbockers basketball game and the Boston Bruins-Detroit Red Wings hockey game.

FIVE TOWN TEACHERS MEET

The Five Town Teachers Club met Monday evening Feb. 6 at the Crescent Park School.

The business meeting was called to order by the president, Miriam McAllister. The secretary's and treasurer's reports were read and accepted.

A letter concerning the New England Regional Conference to be held in Boston in April was read. A discussion followed about sending a delegate. No action was taken on this.

Mrs. Hazel Wheeler read a notice about several meetings to be held throughout the state with Mary Titus, N. E. A. consultant for local clubs. It was suggested that this club try to send a car full of teachers to the Lewiston meeting on March 13.

The N. E. A. Building Fund was discussed. The quota for the Five Town Teachers Club is \$112. A suggestion was made that this might be met by buying one life membership to the N. E. A.

There was a brief discussion of the Kelly Bill.

It was reported that Ethel Ward was in the Rumford Community Hospital. Helen Varner was appointed to send her flowers from the club. A request was read that we send names of teachers who were mother, daughter or son combinations to Clyde Russell.

The following were reported for this club: Mrs. Melva Willard and daughter, Christine; Mrs. Bernice Noyes and daughter, Carolyn Grant; Mrs. Elizabeth Wight and daughter, Rene; Mrs. Frances Bennett and daughters, Alice and Isabel; George Pillsbury and mother, Mrs. Frances Pillsbury.

A notice was presented at this meeting that the constitution be amended to raise the local dues. This will be acted on at the March meeting.

The business meeting was followed by a talk by Mr. Christie on the way in which state subsidy to the schools is handled. It was very interesting and informative.

Refreshments were served by the committee: George Pillsbury and Charles Helzo.

Mrs. Rudolph Royer and Debbie have been visiting in Portland.

COMMENTS FROM THE TOWN MANAGER'S OFFICE

Now that we are trying to keep the streets cleaned up when possible it will make it very much easier if you do not leave your car in the highway all night. We do not feel we should be responsible if your car is damaged if left in the highway. We hesitate to move any cars at your expense but believe we would have little choice in the matter, if they are left in the way. Thank you.

The last two weeks of February are designated for the Heart Drive. With the cooperation of Elmer Bennett, local representative of the New York Life Insurance Co., I would like to call your attention to their list of recent claims paid in 1954. Total number 23,061 of this number 10,061 were caused by diseases of the heart, blood vessels and kidneys, and 2,820 by apoplexy and other circulatory diseases. You will note this is about 60% of the total of all causes of death. The national situation is about the same. Does this make you believe that we do have a need for all possible study of this disease? Do you believe we in Bethel should do our part in the campaign this month?

Mrs. Avery Angeline is making arrangements for everyone to have a part in this drive. I would also like to call your attention to the fact that anyone in this area, who has the advice of their doctor that they should have an examination for possible heart troubles, and is unable to assume the expense, may have this examination free of charge.

Thank you.

TO OBSERVE WORLD DAY OF PRAYER HERE FRIDAY, FEB. 17

The World Day of Prayer will be a union service for all the churches in this area. It will be held at 3:30 p. m. on Feb. 17, in the Bethel Methodist Church. All are cordially invited to attend and join with us in this service.

This will be the 70th observance of the World Day of Prayer. It is sponsored in the United States by United Church Women and The National Council of the Churches of Christ. Last year there were over 20,000 communities in the United States that took part in the program and 134 other countries. The theme for this year is "One Flock, One Shepherd." Thousands of Christians in the United States and around the world will be united in prayer on the first Friday in Lent on Feb. 17, 1956.

Services will begin on the Tonga Islands, just west of the International Date Line, where Queen Salote leads her subjects in prayer. They continue throughout the day, closing with observances at St. Lawrence Island, Alaska.

The purpose of the Day is to unite all Christians in a bond of prayer and to make an offering for Christian Missions at home and abroad. The program comes from a different country each year. The service for 1956 comes from Cook Christian Training School for Indians in Phoenix, Arizona.

If we can't be present at this service, let us unite our hearts in prayer at that time.

Bethel has much to thank God for. Let us pray for those who are less fortunate.

SMALL WOODLOT OWNER GETS INCOME TAX TIPS

Small woodlot owners in Maine may save money and simplify the preparation of their tax returns through use of a newly revised U. S. Department of Agriculture leaflet. It's called "Federal Income Tax Tips for the Small Timber Owner."

Copies of the eight-page leaflet may be obtained from county agents of the Extension Service or by writing to Lewis P. Blazell, Extension Service forestry specialist, University of Maine, Orono.

The leaflet points out that "many small timber owners may pay a larger Federal income tax on their woods operations than the law requires. This results in part from failure to deduct an allowance for depletion representing the owner's investment in the timber harvest. Also many owners do not realize that receipts from sales of timber and forest products can be treated as reported as capital gain rather than as ordinary income, and that this can substantially reduce their tax."

TESTIMONIAL DINNER FOR DR. AND MRS. R. R. TIBBETTS NEXT TUES.

A testimonial dinner, honoring Dr. and Mrs. R. R. Tibbetts for their long and faithful service to the West Parish Church as well as to the community, will be held February 14, at the West Parish Church, at 6:30 p. m., in the dining room.

Dr. and Mrs. Tibbetts joined the church on Dec. 11, 1925. Dr. Tibbetts was a deacon from 1929 to 1935 and from 1938 to 1949; also a trustee from 1931 to 1949. He served as auditor in 1927.

Mrs. Tibbetts, clerk of the church, served as clerk for almost 20 years, retiring in 1946. Her 30 years of service in the Sunday School is a glimpse of a long procession of boys and girls, all of them the men and women of the church today, and many of them the parents of the Sunday School children.

Dr. Tibbetts, who served twenty-one months in the medical corps at the Portsmouth Navy Yard, has endeared himself to everyone in the community by his constant service to all, begun in the horse and buggy era. At that he traveled to Upton, 28 miles away, and to other surrounding towns, day or night, during any and all kinds of weather.

During the years he has delivered more than 2,000 babies in this area. Today, though in a much different vehicle, the Doctor is still making his rounds to those who need him as he has been doing for the past fifty years in his service to mankind.

GOULD ACADEMY

Gould Wins Rumford Carnival Honors

Gould Academy skiers placed in the jumping event of the annual Stephens High School Winter Carnival at Rumford last Saturday afternoon but gathered enough points by winning the downhill Friday and tying for first in the Cross Country to take first place honors in the three-event meet. The slalom race scheduled for Saturday morning had to be cancelled because of poor snow conditions. Edward Little was a close second in the meet followed by Rumford, Farmington and Andover in that order. Lamson of Gould tied Small of Edward Little for the longest standing jump of 77 feet at Scott's Mountain. Small edged out Lamson by the small margin of 1/10 of a point in this event with style the determining factor. Jerry Smith of Gould placed fourth behind Bob Roderick of Rumford.

In the Friday events Gould grabbed three of the first four places in the downhill and then tied Edward Little in the Cross Country. Al Lamson of Gould collected the first blue ribbon when he came

down the rocky Scott's Mountain trail in 24 seconds flat followed by Jerry Ingalls of Farmington, Al Orway of Gould, Jerry Smith, Gould, and Bill Ferguson, Rumford; Ron Smith, Fryeburg, and Dick Saunders of Gould. The Cross Country run was taken by Bob Donovan of Edward Little in 22 minutes followed by Al Lamson of Gould who clocked a 22 minutes and 21 seconds. Conditions for the meet were far from good and many of the runs were studded with rocks. Following are the team totals:

Gould	280.71
Edward Little	280.95
Rumford	183.61
Farmington	287.55
Andover	264.44

The Maine Interscholastic Ski Championships are scheduled for this week end with the downhill and slalom to be held at Swan's Corner on Friday, snow conditions permitting, while the cross country and jumping will take place in Andover on Saturday.

Gould 62—St. Patrick's 72

Without the services of their center, high scoring Dave Knight, Gould dropped a hard fought game to St. Patrick's High of Berlin by a 62-72 score. Three Husky players scored well—Jenckes 21, White 19, and Roberts 14, but they could not hold the lead they gained in the first period. Gould started strong and held a 24-13 margin at the end of the first quarter but St. Pats roared back outscoring the Academy five 23-12 in the second period to gain a 20-20 tie at half time.

The second half was close and hard-fought but the New Hampshire team took a 3 point lead at the end of the third quarter and increased it to a 72 to 62 victory. Labbe, St. Pats center, was the game's high scorer with 20. He was ably assisted by Courty with 17.

The Gould JV's also went down to defeat losing 52-44.

South Paris Here for Finale

The South Paris JV's and Varsity will be here Friday to finish the 1956 Sun Journal League schedule. The JV's will meet at 8:30 with the main event starting about 8:30. The Paris team needs this game to stay in contention with Bridgton for the championships.

This will be the final game for the Huskies as the 201 enrollment at the Academy will keep the team out of the Class "3T" playoffs which occur on the following week end. For Gould it will be the final appearance for Merle White, Norm Hill, Dave Willard and Rod Bar-

Better Highways
are built with
CONCRETE

Concrete has the strength and stamina to carry today's heavy truck traffic and is ideal for fast moving passenger cars.

Concrete is safer. It is naturally skid-resistant and its light color improves visibility at night. It helps cut your driving costs by saving money on gas, tire and vehicle repair bills.

Durable concrete keeps traffic rolling without shutdowns for untimely repairs.

Only a concrete pavement offers these advantages at low annual cost. Its first cost is usually less than other pavements designed for the same traffic. Its maintenance is much less and its life is much longer.

Maine's modern "air-entrained" U. S. R. #1 concrete pavement between Yarmouth and Brunswick has a minimum 50-year life expectancy which means a saving of millions to Maine taxpayers.

Thought For The Week

How often we hear humorous cracks regarding items which appear in rural newspapers: "Joe Doakes bought a new car"—"He bought too young pigs yesterday"—"Yet did you ever see unfavorable comments regarding a neighbor, or the latest fight Jack had with Jill?" (Although there's no doubt a blow by blow account was known).

Perhaps some of the Big Time Columnists would do well to copy their country cousins after all.
